- News from the Regional Groups
- Local news template

3. Where to from here?

Low Emission
Strategies
Building on Good Practice

Where to from here?

- Low Emission Forum – run by local authorities, for local authorities
 - Focus on practical work and case studies
- How can the Forum support you?
 - Information?
 - Skills?
 - Experiences?
 - Funding?.....

LEF Sponsored Project

- £5,000 for a project with national relevance
 - E.g. policy work, case studies, modelling / evaluation
- Some expressions of interest for projects
 - Develop funding formula for local SPD
 - Trial leases of low emission vehicles
 - Publicity / communications for LES within local area
 - Market research on public perception of low emission technologies
- Any other thoughts? Any interest in steering groups / selection process?
